

APPENDIX A. RESIDENTIAL PROPERTY CONDITION DISCLOSURE STATEMENT

Notice to Seller: Oklahoma Law (the "Residential Property Condition Disclosure Act," Title 60, O.S., §831 et.seq., effective July 1, 1995) requires Sellers of 1 and/or 2 residential dwelling units to complete this form. A Seller must complete, sign and date this disclosure form and deliver it or cause it to be delivered to a purchaser as soon as practicable, but in any event no later than before an offer is accepted by the Seller. If the Seller becomes aware of a defect after delivery of this statement, but before the Seller accepts an offer to purchase, the Seller must deliver or cause to be delivered an amended disclosure statement disclosing the newly discovered defect to the Purchaser. If the disclosure form or amendment is delivered to a Purchaser after an offer to purchase has been made by the Purchaser, the offer to purchase shall be accepted by the Seller only after a Purchaser has acknowledged receipt of this statement and confirmed the offer to purchase in writing.

Notice to Purchaser: The declarations and information contained in this disclosure statement are not warranties, express or implied of any kind, and are not a substitute for any inspections or warranties the Purchaser may wish to obtain. The information contained in this disclosure statement is not intended to be a part of any contract between the Purchaser and Seller. The information and statements contained in this disclosure statement are declarations and representations of the Seller and are not the representations of the real estate licensee.

Mike and Nancy O'Neal, Owners
January 30, 2019

7. In extreme rain storms, the front drains may be slow to remove the water, but it has never gotten into the house.

8. There are French drains from the front to the back that we have had to clean roots out of in two places.

9. We recently had a leaks in the Geothermal Heating/Cooling system in the utility closets and they have been fully repaired.

10. See 8 and 9 above.

13. The original builder installed indoor columns on the back porch and we had to replace them with 8x8 wood pillars. We also replaced a few tiles on the back porch which had come loose due to slight ground movement.

15. Roof was damaged by hail in early 2013 and was replaced in its entirety.

19-20. We have an extensive system all around the house. No problems detected when monitored quarterly by a professional company.

22. Hail damage. See 15 above.

37. There is a water well on this property for irrigation, but which the current owners have used to help keep the pond full in dry weather, and charge the HOA for some electricity use for the well pump. There is an easement for that purpose as well.

39. Lavender Lane is a private road maintained by the Homeowners Association. A major recoating job was done in mid-2016. The HOA also shares the pond and swale area in common and the gate and streetlights are maintained by the HOA. Part of the house septic system is in the common area and this property has an easement for that use.

40. See 39 above.

47. The outside uplights need repaired or replaced and the electrical outlet in the circle drive does not work.
