This Plat Of Survey Meets The Oklahoma Minimum Standards For The Practice Of Land Surveying As Adopted By The Oklahoma State Board Of Registration For Professional Engineers And Land Surveyors.

UTILITY STATEMENT
The utilities shown hereon have been located in the field by above ground inspection only. The underground utilities shown hereon have been located from field survey information and existing drawings. The surveyor makes no guarantee that the underground utilities shown hereon comprise all such utilities in the area, either in service or abandoned. The surveyor further does not warrant that the underground utilities shown hereon are in the exact location indicated although he does certify that they are located as accurately as possible from the information available. The surveyor has not physically located the underground utilities.
